The landing field of the Plauen (M 51/K 12) airfield was under cultivation. The debris of the destroyed hangars was cleared away. Reconditioning work in the former Flieger Kaserne, which was to be put at the disposal of the Soviet Zone German police, progressed very slowly.

Comment:

The condition of the former landing field has not changed since August 1949. Reconditioning work on the kaserne is reported for the first time.
